

REMARKS/ARGUMENTS

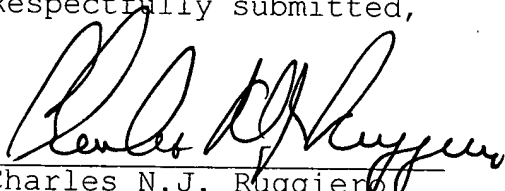

Claims 1 through 79 are pending in this application. Claims 9 through 12, 33 through 36, 58, 59, and 69 have been withdrawn without prejudice.

The Office Action asserts that an election of species is required amongst figure 3, figures 4 through 9, or figures 10 through 13. Applicant respectfully traverses. Applicant asserts the claims are generic to all three embodiments and that it would be more economical and expedient to search and examine all three embodiments in the same application. Notwithstanding the foregoing, to comply fully with the election requirement, applicant elects with traverse to prosecute species I, which includes figures 4 through 9. Claims 1 through 8, 13 through 32, 37 through 57, 60 through 68, and 70 through 79 read on the embodiment of figures 4 through 9.

Consideration and allowance of the application is respectfully requested.

Respectfully submitted,
